2013 Fall Workshop Series for Business
Money Smart for Small Business

Coastal Community Capital and The Cape Cod Five Cents Savings Bank are partnering to offer *Money Smart for Small Business*, a workshop series created by the Federal Deposit Insurance Corporation and the Small Business Administration. This series will help you run your small business smarter, faster, and safer. It will also give you the skills needed to master previously hard-to-understand business topics.

Cape Cod 5®
Member FDIC

October 3	**Banking Services & Financing for Small Business** Identify the advantages of various banking services and learn which ones are best for your business.
October 10	**Record Keeping & Tax Planning for Small Business** An overview of how the proper record keeping and tax planning can benefit and affect your business.
October 17	**Financial Management for Small Business** Learn best financial and accounting practices for a more efficient organization.
October 24	**Managing Your Credit** Explain the concept of credit reporting and the impact it has on the operation and growth of your business.

Cape Cod 5®
