

FDIC Banker Teleconference Series:
Interagency Questions and Answers Regarding Community Reinvestment

Tuesday, November 29, 2016
2:00 p.m. – 3:30 p.m. EST

The FDIC's Division of Depositor and Consumer Protection offers a series of banker events, including teleconferences and webinars. The purpose of these events is to update you and your staff on important banking regulatory and emerging issues in the compliance and consumer protection area and to maintain open lines of communication.

The next event is an interagency webinar scheduled for November 29, 2016. The webinar will focus on the revised Interagency Questions and Answers regarding Community Reinvestment (Q&As) that were published in the Federal Register on July 25, 2016. The revisions to the Q&As primarily consist of nine revisions to existing Q&As and seven newly-added Q&As dealing with community development-related issues, the availability and effectiveness of retail banking services, innovative or flexible lending practices, and other definitional issues.

Community organizations also are invited to participate in the webinar. Registration is required.

The webinar will feature presentations by staff from the FDIC, Office of the Comptroller of the Currency, and Federal Reserve System.
